

## What is FOLKS?

Friends of Lake Kegonsa Society, Inc. (FOLKS) is a non-profit corporation established in 1988. FOLKS' primary objectives are:

- To protect, maintain, and enhance environmental and recreational values at Lake Kegonsa and its surroundings,
- To organize and conduct activities intended to maintain or improve the ecology, water quality, fishing, and recreational use of Lake Kegonsa, and
- To obtain and provide information to FOLKS members regarding lake concerns.

Members receive 4 quarterly newsletters per year. In addition, emails are sent to those with email addresses to keep members informed of important time sensitive issues and social activities. It's important to note that email addresses are used to send FOLKS quarterly newsletters, all lake alerts, surveys and information on social activities. Email addresses are never shared with other organizations. Mailings are only done for newsletters.

## If you would like to become a member of FOLKS:

Please return the form below to join the Friends of Lake Kegonsa Society (FOLKS). FOLKS membership year runs from January 1st through December 31st of each year. Your annual membership contribution enables FOLKS to continue improvement initiatives impacting Lake Kegonsa. Submit membership questions to [folks@kegonsa.org](mailto:folks@kegonsa.org). Thank you for your contribution and your support of FOLKS.
